

Sunstar Sub Aqua

Membership Questionnaire 2001

Dear Club Member,

To help improve the club for the next year, the club committee would appreciate it if you could spend a little time to fill-in and return this questionnaire. As well as providing another facility for you to express your thoughts, the results will help to improve the effectiveness of the club and the quality and quantity of diving and facilities for all.

Please return completed questionnaires by end of February 2001 using email, post or hand (e.g. in Lord Nelson) to me at the contact points below.

We look forward to your response.

Thanks & regards,

Alex Edwards
